How to upload Endurance results via FEI Forms

You need to upload Endurance results to the FEI Database? You can do this using the FEI Forms platform.

- All results will need a corresponding accepted entry in the FEI Entry System in order to be valid
- An internet connection is necessary to download the results form and to submit the results form

Below you will find guidelines on how to use FEI Forms and how to submit these results to the FEI.

Step 1: Logging In

Go to: <https://forms.fei.org>

Enter your user name and password

- All National Federation Result Admin will have access
- All Organising Committees will have access

In the top right corner of your screen it will have your name, followed by your FEI ID number, and the word **Online**.

You can log in to forms.fei.org even without an internet connection, it will then say **Offline** in the top right hand corner of your screen.

- Please Note: you cannot download any results form when **Offline** you can only work on forms that you have already downloaded when **Online**.

If you have not got the necessary access, or have problems logging into FEI Forms, please contact: usersupport@fei.org

Step 2: Downloading Results Form

Once logged in and **Online** you can download the relevant results form(s). Under the **Endurance Results** section at the bottom left of the page please select

IT providers

Load a Form

This will open the **Download a Form** page.
Find your relevant Event and click on **Download**

- Please Note: if you are not able to find the Event you are looking for, please contact the FEI: usersupport@fei.org

IT providers

This will download the relevant results form to your computer and you will arrive on your **Endurance Results** homepage.

It will be marked under **Form status** that your results form is loaded on your computer.

IT providers

You can then repeat the process for all the Events you need results forms for, by re-clicking on **Load a Form**.

- Please Note: The download option will only be available once the Last Date of Substitution/Closing time has passed, (1 hour before first Vet Inspection) meaning that all Entries are up to date and correct.

Your page will then show all the events you have downloaded the results forms for.

IMPORTANT: Once you have clicked on download, these results forms are automatically saved on your FEI Forms Profile. This means you can go **Offline** and still be able to fill out your results; e.g. if you have not got an internet connection at the event venue.

IT providers

Step 3: Opening the Results Form

This can be done **Online** or **Offline**

Choose your relevant event and click on **Open Form** from the **Action** drop down list.

If you have perhaps downloaded the incorrect form, you can delete it from your list.

The results form will open.

IT providers

You will find information about the event and the competition at the top.

The form is already pre-set to the specifications of the event:

- how many vet gates there are/distance of the course
- number and name of athlete/horse combinations
- FEI ID's of athletes and horses

Add New Entry

You can manually add the missing entries by choosing the **Add New Entry** button
