I confirm that the selected horses:

- are not under current investigation for any infectious disease including EHV-1
- have not been in contact with and are not kept on the same premises as a horse known to have or be under investigation for any infectious disease including EHV-1
- had their rectal temperatures taken before travel and the reading was less than 38.5°C.

I further confirm that the selected horses' temperatures have been monitored for the preceding 3 days and have been duly entered in the FEI HorseApp.

Although it is permissible for the Person Responsible to delegate the completion and submission of this form to a representative (e.g. their groom), the Person Responsible remains responsible for any failure to comply with the requirements, including the completion, signature and submission of the form. Any falsification of this form or the temperature monitoring chart may lead to the opening of disciplinary proceedings in accordance with the disciplinary process set out in the FEI General Regulations.
