How to enter Horse temperatures on the FEI HorseApp

You have a FEI Horse and need to enter your Horse's temperatures?

You need to record the temperature of your Horse for the three days prior to your arrival at an FEI Event?

Step 1: You must be associated with your Horse and your Horse be listed on your My Horses list before you can enter the temperatures on the FEI HorseApp. Click here to see how to manage My Horses on the FEI HorseApp.

Step 2: To see how to enter Horse temperatures on the FEI HorseApp, you can use the step-by-step guideline below or watch the following video:

To note: click on 'Watch on YouTube' to open the video in full screen.

**Step-by-step process to enter Horse temperatures on the FEI HorseApp:**

Step 1: Log in to the FEI HorseApp with your FEI ID number and password.

Click here to see how to log in to the FEI HorseApp.

Step 2: Navigate to the **My Horses** section to find the Horse for which you need to fill in the daily temperatures.

You can either click on the name of the Horse to open the profile of the Horse in the FEI HorseApp and follow **step 3** or click on the **temperature** symbol and directly land on the calendar view of your temperature recordings for this specific Horse and follow **step 4**.
