How to create an Owner as a Person on the FEI Database

Owners are now managed as Persons on the FEI Database, they each have their own FEI ID profile and a list of the horses they own will be displayed on their FEI ID page.

If you want to first create the Owner's FEI ID profile before updating an Ownership you can do this by using the function ADD PERSON.

Step 1: Login to the FEI Database (<https://data.fei.org>) with your FEI ID number and password.

Step 2: Go to the **Persons** tab and click on **Add Person**:

Step 3: Enter the relevant information regarding the Owner and tick the **Owner** box to associate this person to this group:
