How to edit my choices for a specific week on the FEI SportManager App

You have changed your mind on a specific Event? You want to change the order of priority?

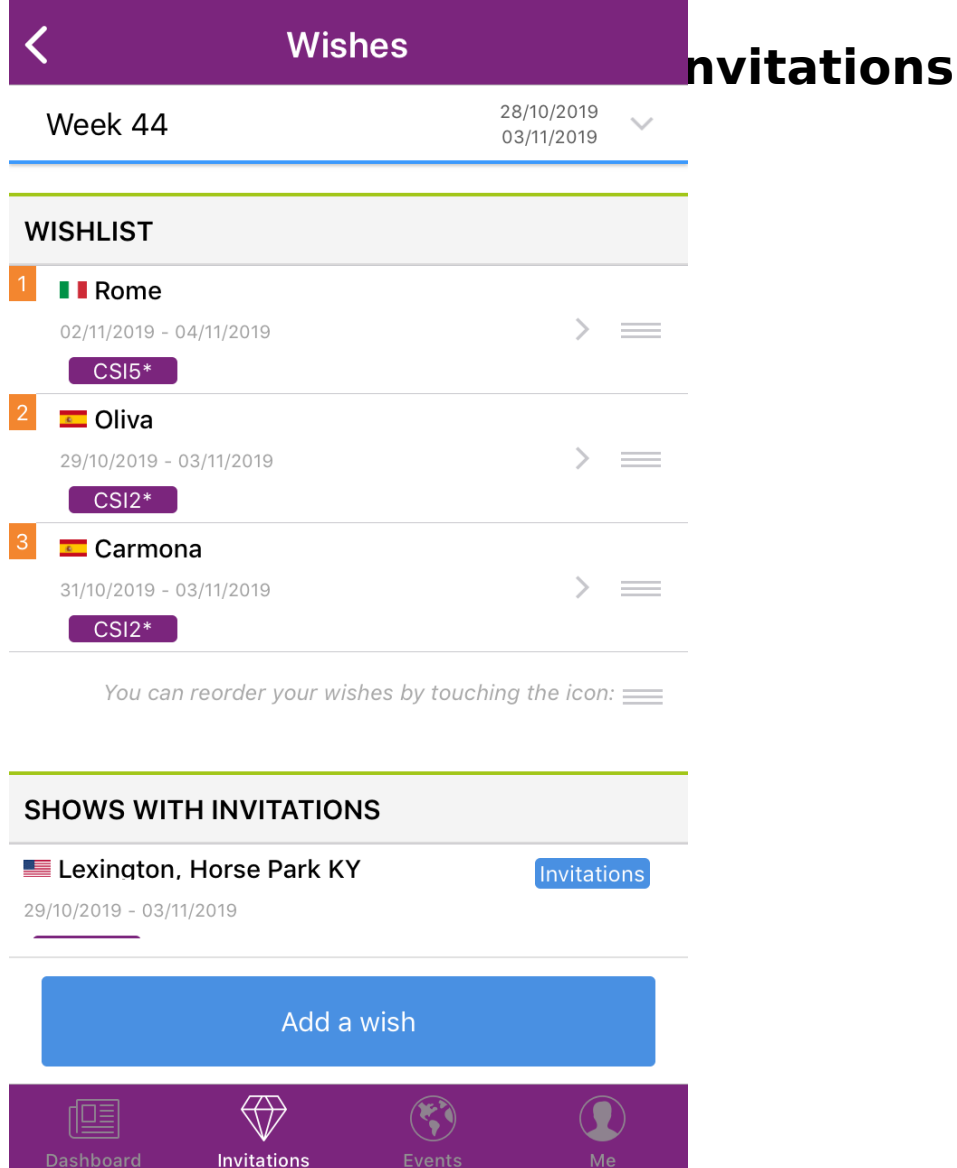

You want to remove an Event from your list?

Step 1: Login to the FEI SportManager App with your FEI ID number and password.

You will land on your Dashboard, where you can navigate to the **Invitations** section from the main menu.

Step 2: The order of priority is marked in **orange** numbers on the right hand side.

To change the order of your Events, drag and drop the Events in the priority that you want.

All changes are saved automatically.

Step 3: If you wish to remove an Event from your list you can delete it directly from your Wishlist.

Click on the Event itself and then follow the on-screen instructions to confirm the removal of the Event.
