How to add a Horse to my wish list

You are making your wish list for a specific week and you want to add horses?

You don't know which horse you are going to participate with but you want to book a horse slot ?

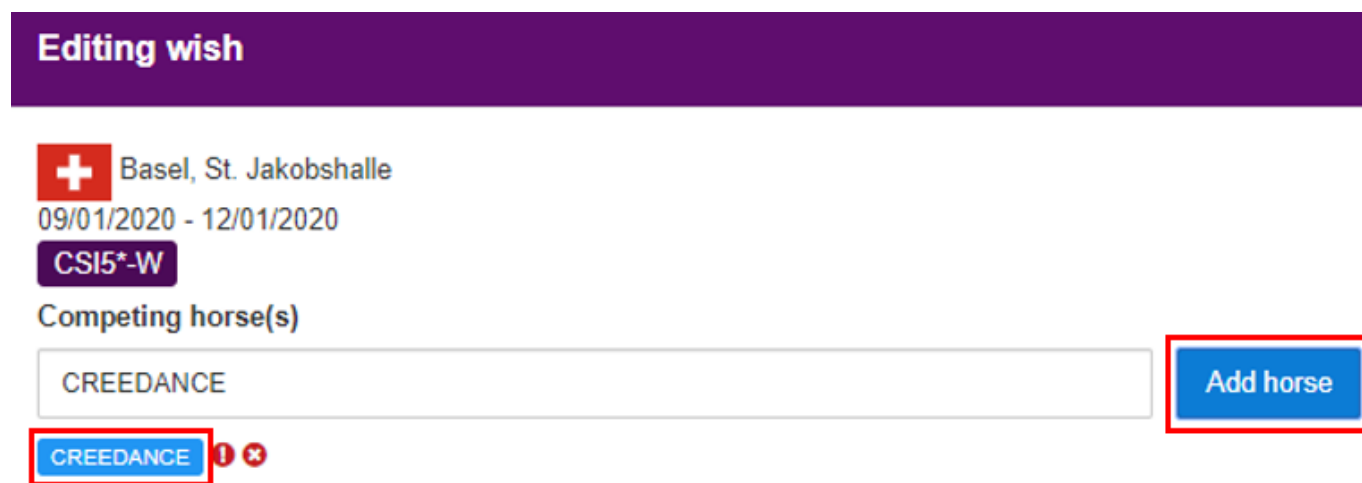

Step 1: Go to <https://invitation.fei.org> and login with your FEI ID number and password.

Step 2 : Locate the Event you want to add the Horse for and click "Edit wish" :

The screenshot shows the FEI invitation website interface. At the top, there are tabs for Week 1 through Week 5. Below these, there are buttons for 'Invitations' and 'Calendar'. The main section is titled 'Wishes (Week 2)'. It contains two columns: 'Available events' and 'Wishlist'. In the 'Available events' column, there are two events listed: 'CSI2* Neustadt Dosse' and 'CSI2* Zuidbroek'. In the 'Wishlist' column, there is one event listed: 'CSI5*-W Basel, St. Jakobshalle'. The 'Edit wish' button for this event is highlighted with a red box.

Step 3 : In order to add a specific Horse, start typing the name or FEI ID of the Horse, choose it from the drop down list and then click **Add horse** and save your changes.

The screenshot shows the 'Editing wish' form. It has a purple header bar with the text 'Editing wish'. Below the header, there is a form with the following fields: a red square with a white cross icon, the text 'Basel, St. Jakobshalle', the date range '09/01/2020 - 12/01/2020', and the event code 'CSI5*-W'. Below these fields is the label 'Competing horse(s)'. Under this label, there is a text input field containing the word 'CREEDANCE'. To the right of this field is a blue button with the text 'Add horse'. The 'Add horse' button is highlighted with a red box.

If you do not know the Horse you will be competing with, you can add an empty
