How to select a Dressage competition on the FEI Entry System

You are making Dressage entries and need to specify the competition?

The system will require that you choose in which competitions the combination will participate.

Step 1: Go to <https://entry.fei.org> and login with your FEI ID number and password.

Step 2: Start to make your entries by adding the athletes and horses accordingly.

Click here to see [How to make an entry for an international event](#).

Step 3: On the **draft** entry, you will see the competitions that are schedules for the selected event.

The screenshot shows the FEI Entry Platform interface. At the top, there's a header with the FEI logo and user information: Karin DAGUET (FEI), Connected as SUI (Standard Admin). Below the header, there are tabs for different event types: CDI-W Draft, CDI1* Draft, CDI3* Draft (selected), CDIAm Draft, CDIJ Draft, CDIU25 Draft, CDIY Draft, and CDIYH Draft. On the right, there are buttons for 'Purge Upload' and 'Refresh'.

The main content area is divided into several sections. On the left, there's a section for 'Temecula CA (USA)' with details about the event (CDI3* (Higher Level Event), From 24/01/2019 to 27/01/2019, Athletes' age: min. 16, Horses' age: min. 7). In the center, there's a section for 'Entry Lists' with tabs for 'Draft Entries' (selected), 'Nominated List', and 'Definite List'. Below this, there's a table of 'Athletes & Horses' with columns for FEI ID, NF, Horse Name, Birth, M/F, and Entered. The table lists several entries, including JOANNOU Antonella (SUI) and CAPPUCINO XIV. The competition codes (512-GP, 611-Int A, 711-Int B, 712-GPS) are highlighted in green. On the right, there's a section for 'Entry Actions' with buttons for 'Remove', 'Comment', and 'Log'.

Step 4: Click on the competition(s) in which the combination will participate. Once selected, the competition code will turn **green**.

Once you have selected the competitions you can **Add entries to Definite List**.
