How to add a Horse on the FEI Database

If you need to register or enter a Horse to compete in a FEI event, the Horse must first have a FEI ID number on the FEI Database.

Step 1: You must go to <https://data.fei.org> and log in with your FEI ID number and password

Step 2: You must then go to the **HORSES** tab and click on **ADD HORSE**

Step 3: Here you must enter all the necessary information about the Horse you are wishing to enter on the FEI Database
