How to revalidate a FEI document

In accordance with Art.1027.8 of the FEI Veterinary Regulations all FEI documents need to be revalidated every 4 years for horses that are active in international competition.

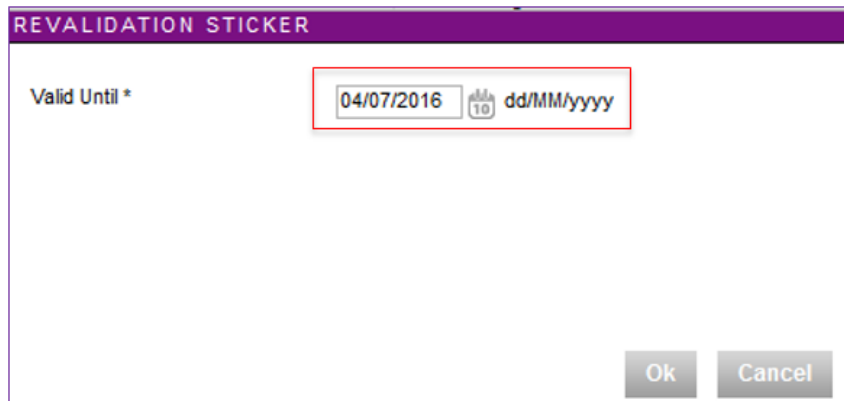

FEI documents are valid for 4 years from the date of issue. If a horse is wanting to compete in any FEI event and a FEI document is necessary, it must be valid.

Step 1: You must find the horse in question on the FEI Database either by FEI ID number or name and open the **Horse Detail** page.

Step 2: You need to click on **Renew** and enter the date to which you want the passport to be valid.

The screenshot shows the 'ID and Passport' section of the FEI database. It contains fields for FEI ID, National ID, Issuing NF, FEI Recognized Document ID, Issuing Body, UELN, and Chip ID. On the right, there are links for 'Upgrade to Passport', 'Upgrade to RC', and 'Download the printable stickers'. A 'Renew' button is highlighted with a red box.

The screenshot shows the 'REVALIDATION STICKER' dialog box. It has a 'Valid Until *' field with a date picker set to 04/07/2016. The date field is highlighted with a red box. There are 'Ok' and 'Cancel' buttons at the bottom.

Your National Federation will be invoiced accordingly.

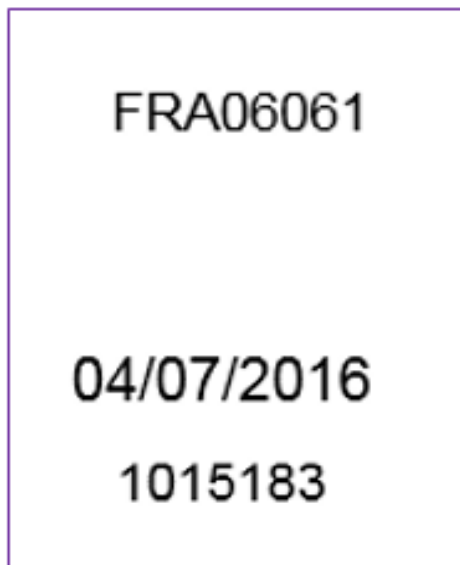

- It costs 175 CHF to revalidate a horse document
- It costs 35 CHF to revalidate a pony document

Step 3: You need to **Download the revalidation sticker** which needs to be printed out on the revalidation sticker paper that can be ordered from the FEI,

Step 4: The sticker then needs to be stuck and stamped on page 36 of the FEI Recognition card and on page 1 of the FEI Passport.

Please Note: If a horse has a FEI Passport and is administered by a country within the European Union, these documents have to be revalidated without a gap in their validity date, even if the horse is not competing in international competition.

E.g. 02/04/2012 – 02/04/2016 – 02/04/2020.

Things to Consider:

- FEI Documents may have been updated with manual yellow or green stickers prior to our online FEI Database. These revalidation numbers/dates may be missing from the FEI Database. Please send the FEI a scan of the revalidation sticker page and we will update this information on the FEI Database.
