How to create a new Ownership with an existing person

You need to create a new Ownership for a horse and the person already has a FEI ID number?

Perhaps the person is an Athlete?

Step 1: You access the Horse's FEI ID page and you scroll down to the **Ownerships** section.

You can click on **New Ownership** and the **CREATE NEW OWNERSHIP** window will open.

Step 2: You enter the **Since** date - this is the date since which this Owner has owned the horse.

The screenshot shows the 'CREATE NEW OWNERSHIP' form. At the top, there is a purple header. Below it, the 'Since' field is highlighted with a red box and contains the date '15/06/2016'. To the right of the 'Since' field is the 'Nationality of Ownership' dropdown menu. Below these fields is a table with columns: 'FEI ID', 'Name', 'Address', 'Person of Contact', and 'Ownership Percentage'. Below the table, there is a '+ Add Owner' button. Below the button, there are two tabs: 'Search for existing person or corporation' (highlighted with a yellow circle) and 'Create new person or corporation'. Below the tabs, there is a search form with a 'Name or FEI ID' input field, an 'Only Owners' checkbox (checked), and a 'Search' button.

You are then on the **Search for existing person or corporation** tab and can search for the person you wish to add as Owner for this Horse.

Step 3: You enter the name or FEI ID number of the person in question and a list of names will appear.

You can search **Only Owners**, which will limit the search to people who are already marked as an Owner on their FEI ID profile.

The more specific your Name or FEI ID search is, the easier it will be to find the person you are looking for.
