## How to create a multi-owner Ownership

More than one person is the Owner of a Horse?

There are several Owners, or even a Corporation and an individual Owner? You can create an Ownership with several individual Owners as well as manage the Ownership percentages if you wish.

**Step 1:** You are on the horse's FEI ID profile and you scroll down to the **Ownerships** section. You click on **New Ownership** and the **CREATE NEW OWNERSHIP** window will open.

**Step 2:** You enter the **Since** date - this is the date since which this Owner has owned the horse.

You then select under which tab you will enter the Owner:

- **Search for existing person or corporation**
- **Create new person or corporation**

The screenshot shows the 'CREATE NEW OWNERSHIP' form. At the top, there is a header bar with the text 'CREATE NEW OWNERSHIP'. Below this, there are two input fields: 'Since \*' with a date picker showing '11/10/2016' (highlighted with a red box) and 'Nationality of Ownership \*' with a dropdown arrow. Below these fields is a table with columns: 'FEI ID', 'Name', 'Address', 'Person of Contact', and 'Ownership Percentage'. Below the table, there is a text prompt: 'Please use the search or create functions below to add a new owner.' Below this prompt, there is a '+ Add Owner' button. Below the '+ Add Owner' button, there are two buttons: 'Search for existing person or corporation' (highlighted with a yellow circle) and 'Create new person or corporation' (highlighted with a blue circle). Below these buttons, there is a search form with a text input field labeled 'Name or FEI ID', a checkbox labeled 'Only Owners \*' which is checked, and a 'Search' button.

**Step 3:** You search for the first Owner you wish to add to this Ownership and click **Select** next to the corresponding person.

**Step 6:** As the two Owners added to this Ownership have different nationalities, the nationality of the Ownership must be chosen from the drop-down list before saving the Ownership.

The screenshot shows the 'CREATE NEW OWNERSHIP' form. At the top, there is a 'Since \*' field with the date '11/10/2016'. Below this is a table with columns: FEI ID, Name, Address, Person of Contact, and Ownership Percentage. Two owners are listed: Bob STEVENS (FEI ID 10165683, Address: Test Street 24, 1234 Test Town, GBR+) and Alessandro DI MARCO TESTA (FEI ID 10027585, Address: 123 123, FRA+). A red box highlights the 'Nationality of Ownership \*' dropdown menu, which is open and shows two options: 'GBR - Great Britain' and 'ITA - Italy'. There is also an 'Add Owner' button at the bottom left.

**Step 7:** It is possible to add the Ownership Percentage before finalising the Ownership.

This is **OPTIONAL** and the Ownership can be saved and created without entering this information.

The screenshot shows the 'CREATE NEW OWNERSHIP' form with the 'Nationality of Ownership' dropdown set to 'GBR - Great Britain'. The 'Ownership Percentage' field is highlighted in yellow and shows '50%' for both owners. Below the table, there is a search section for existing persons or corporations. The search criteria are 'Name or FEI ID: Di Marco Testa' and 'Only Owners \*' is checked. The search results show two entries: Alessandro DI MARCO TESTA (FEI ID 10027585, Nationality: ITA, Address: 123 123, FRA) and Fabio DI MARCO TESTA (FEI ID 10014535, Nationality: ITA). There are 'Cancel' and 'Ok' buttons at the bottom right.

You can then click on **OK** to save this new Ownership.

The Ownership is then created on the Horse's profile and visible on the **Ownership** section:

# Owners

Ownerships				
Since	Nationality	Owner	Address	% Ownership
11/10/2016	GBR	10027585 - Alessandro DI MARCO TESTA	123 123, FRA	50.0%
		10165683 - Bob STEVENS	Test Street 24, 1234 Test Town, GBR	50.0%

**Step 8:** If the horse has a FEI document, you must **download the printable stickers** for the action you just made and upload the necessary scans to the FEI Database.
