How to add a NF Function to a NF Member's profile

Your NF Member does not have a NF Function on their profile?

They are on the FEI Database with access to the FEI IT platforms but don't appear on your NF page?

Each active NF Member must have a NF Function on their profile, with a Start Date and function/role.

Step 1: On the Person profile, scroll down to the **NF Member** section and click on **New Function**:

NF Member

No Function found

 New Function...

Step 2: Enter the relevant details, such as the Person's function and Start date, then click on **Ok**:

NF MEMBER FUNCTION

NF *

Function *

Department

Start date *  dd/MM/yyyy

End date  dd/MM/yyyy

The function will appear on the Person's profile on the FEI Database:

NF Member

NF	Function	Department	Start Date
GER	Admin Officer	Jumping	01/05/2018
