How to take photos of my Horse with the FEI HorseApp

You want to upload pictures of your Horse on the FEI HorseApp?

The pictures of your Horse can assist the FEI Veterinarians with the identification of your Horse when required.

Step 1: Log in to the FEI HorseApp with your FEI ID number and password.

[Click here to see how to log in to the FEI HorseApp.](#)

Step 2 - Option a: Once logged in, you will land on your Dashboard where you can directly select the Horse for which you would like to upload pictures, under **MY HORSES** and follow **step 3**.

All Users

Step 2 - Option b: Navigate to the **My Horses** section to find the Horse for which you would like to upload pictures.

Step 3: Click on **Horse Pictures** or on the **camera symbol** next to the name of the Horse.

All Users

All Users

Step 4: Please make sure you are next to the Horse, uploading photos from your library is not possible, you will have to take four distinct photos:

1. Horse Front
2. Horse Right Side
3. Horse Left Side
4. Horse Back

Click on **Start adding photos**.

Horse Pictures

There are currently no photos uploaded for this horse.

To add photos you will need to be next to CHAMPONY - 107LH16. The process consists of taking four distinct photos (you cannot upload them from your library) of the horse front, left side, right side and back.

Start adding photos

For any horse photo removal requests, please contact usersupport@fei.org

All Users

Step 5: The first photo is the **Horse Front**, read the information on how the photo must be taken and click on **Next**.

All Users

Step 6: Correctly adjust your camera in front of your Horse and click on **Take photo**.

All Users

Step 7: Click on **Photo OK** to upload the photo you have taken. If you would like to retake the photo, click on **Retake**.

All Users
