## How to make an entry for an International Event

You want to participate in an International Event ? You have to substitute a horse ?  
You want to withdraw an entry?

As Athlete, you can not directly modify your entries in the FEI online systems, only your National Federation can make any changes or new entries.

Please note: the FEI is not able to make/modify entries for an Athlete.

**Only your National Federation can select you to take part in an International Event.**

You will find the list of National Federations in the FEI Database: [Click here to find out How to contact my National Federation.](#)
