The screenshot displays the FEI Entry Platform interface. At the top, it shows the platform version (2.0.1), the user name (James BRYANT (OC)), and a Disconnect button. Below this, there are tabs for CEI# 00 and CEI# 120, and a Refresh button.

The main content area is divided into several sections:

- Event Information (Left Top):** Displays details for the event "Ruse (BUL)", including the location (Ruse, Bulgaria), date (17/10/2014 to 19/10/2014), and age limits (Athletes' age: min. 14; Horses' age: min. 6).
- Entry Status (Middle Top):** Shows the "Definite Period" and "Closing Time" (17/10/14 14:00 (*) - 6 days 23:48:12).
- Horses List (Left Bottom):** A table listing all horses available for substitution, including their FEI ID, NF, Horse Name, Birth date, and sex.
- Entry List (Right Bottom):** A table showing the status of entries for specific horses. For example, ANGELOV Angel (BUL) is listed as "Definite" (yellow), while LIPOVAC Davor (CRO) is listed as "Accepted" (green).

- On the left upper corner you have information about the event.
 - Location, Date, links to the event on the FEI Database
- In the middle you have the deadline times and dates
 - The most important date for an Official is the **“Closing Time.”**
 - After this date no changes can be made on the FEI Entry System, and it is then up to the Officials on the ground if they want to accept any changes.
- In the left lower corner, you have a list of ALL horses that can be substituted (you can ignore this section, this is for Organising Committee Members only)
- On the right you have the list of entries
 - You can see that DAVOR LIPOVAC has been accepted by the OC to compete with the horse HAVAS and is therefore in **green**.
 - You can see that there is an entry for ANGEL ANGELOV with the horse MORFEY but it is still in **yellow** (Definite) – this means the OC still has not accepted this entry
- The **“Logs”** button shows you who made the entries, what date and time as well as who accepted the entries, if ever there is a question over his information.

As an Official the three buttons underneath the entries are the most important,

these are lists that you can download, which contain a lot of information that can be useful on the ground.

The screenshot shows the 'Entry Lists' interface with the 'Entries' tab selected. It features a filter section for 'Filter Entries' (set to 'Definite List') and 'NF' (set to 'All'). Below is a table with columns: Athletes & Horses, NF, FEI ID, Contact Info, Entry Status, Nom. Def., and Entry Actions. Two entries are visible: ANGELOV Angel (BUL) and LIPOVAC Davor (CRO). At the bottom, three buttons are highlighted with red boxes: 'Horses to Check', 'Horses Details', and 'Download Entries'.

▲Athletes & Horses	NF	FEI ID	Contact Info	Entry Status	Nom. Def.	Entry Actions
ANGELOV Angel (BUL)	BUL	10101967	Contact Info	Definite	✓	Contact NF Log
MORFEY Trainer: ANGELOV Angel		103HM17	Stal.	Definite	✓	Log
LIPOVAC Davor (CRO)	CRO	10108220	Contact Info	Accepted	✓	Contact NF Log
HAVAS Trainer: SAMARDZIC Marin		103HP45		Accepted	✓	Log

“**Horses to Check**” produces a list of horses that might not yet have a valid FEI document. This list might be useful to know which horses to check in particular on the day of the Vet Inspection – it might be that the FEI document is issued between the time you check and the time of the inspection, or that the horse does not need a document as it is competing in its country of residence at a lower level event.

“**Horse Details**” produces a list of the accepted horse’ details that might be useful at the event.

HORSES DETAILS														
CEII* 80 - Ruse (Bulgaria) - 17/10/2014 to 19/10/2014										Document generated on 10/10/2014 11:51

HAVAS	103HP45	Recognition card	HUN M OX031180000			Gelding	CRO	Grey	N			Hakim (e. Bubnovy)	Mersuch-36 Mona	HUN

“**Download Entries**” produces an Excel document of all combinations, where you can find all information regarding Horse and Rider that you might need. You can use this list at the Vet Inspection to make sure the right combinations are presented and if there are any changes to what is on this list, the President of the Ground Jury and Technical Delegate have to be aware of these changes.
