# How to consult the FEI Entry System for Jumping as an FEI Official

You are acting as an FEI Official at a FEI Event and wish to consult the entries on a desktop computer?

As an FEI Official, you automatically have access to the FEI Entry System for a Show or an Event for which you are assigned.
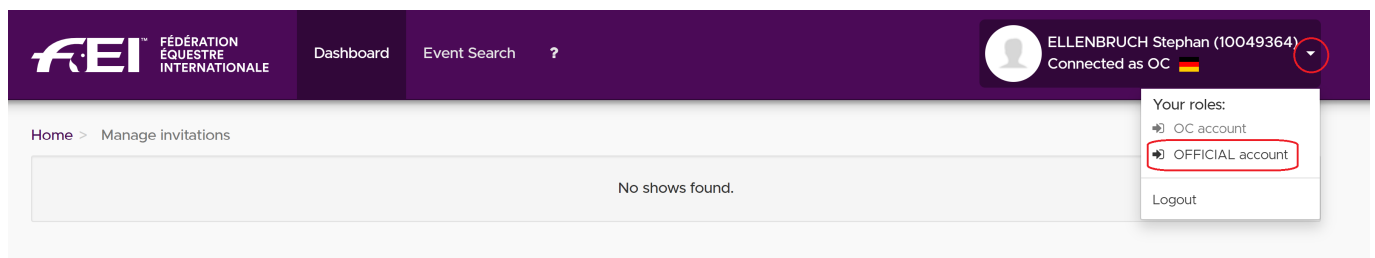

However, you may need to change your role if you have an "Official" account and an "OC" account on the FEI Database.

Step 1: Login to the FEI Entry System (https://invitation.fei.org) with your FEI ID number and password.

--> If you are only an FEI Official, you are directly logged in and can see the Shows to which you are assigned.

Step 2: If you have logged in and have been identified as an Organiser, you will need to switch roles to act as an FEI Official. Click on the small arrow in the top right corner and switch to your Official account.

You will then be logged in as an FEI "Official" and you will have access to the entries of Shows to which you are assigned.
