

FEI Entry System for Jumping

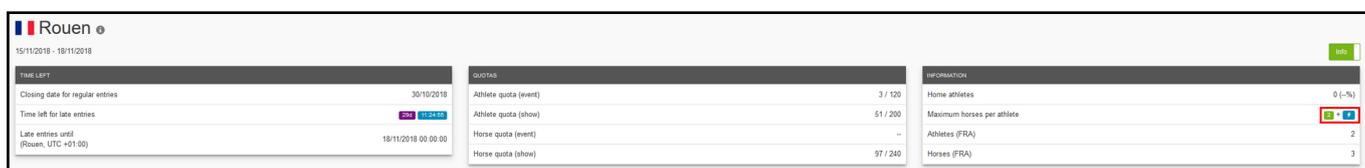

How to add a special competition horse on the FEI Entry System

You need to add a horse in a specific quota or for a specific competition?

You need to add a horse specifically for the "Puissance", "Derby" or "Stallion" competitions?

Step 1: Connect to the new version of the FEI Entry System for Jumping and find the event for which you need to make the entry.

The system displays that this event allows a "special" horse for a specific competition in the quota box:

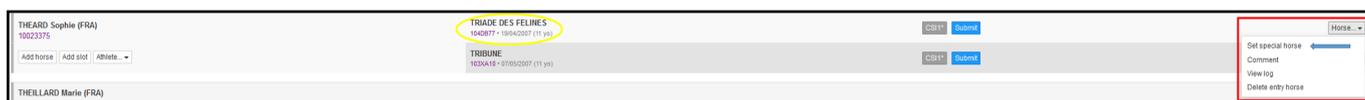

The screenshot shows the FEI Entry System interface for the event 'Rouen'. It features three main sections: 'TIME LEFT', 'QUOTAS', and 'INFORMATION'. The 'TIME LEFT' section shows closing dates for regular and late entries. The 'QUOTAS' section displays athlete and horse quotas for the event and show. The 'INFORMATION' section shows the number of athletes and horses.

TIME LEFT	QUOTAS	INFORMATION
Closing date for regular entries: 30/10/2018	Athlete quota (event): 3 / 120	Home athletes: 0 (-%)
Time left for late entries: 18/11/2018	Athlete quota (show): 51 / 200	Maximum horses per athlete: 3
Late entries until (Rouen, UTC +01:00): 18/11/2018 00:00:00	Horse quota (event): --	Athletes (FRA): 2
	Horse quota (show): 97 / 240	Horses (FRA): 3

Step 2: You add your athlete and horses that you wish to enter as well as the horse for the special competition.

On the horse that you wish to set as the special competition horse you would click **Horse - Set special horse:**

The screenshot shows the FEI Entry System interface for the event 'TRIAGE DES FELINES'. It displays a list of athletes and horses. A red box highlights the 'Horse - Set special horse' button in the top right corner.

THEILLARD Marie (FRA)	TRIBUNE	COE1*	Submit
10023375	1048277 - 10482007 (11 y)		

You must do this BEFORE you submit the entry.

Step 3: A pop-up window will appear where you need to select in which competition this additional horse will compete:

Step 5: Once the entry is submitted or accepted, you will see the special horse is indicated and therefore counted in the relevant quota allowing you to enter this additional horse.
