How to make entries for a Championship on the FEI Entry System

You need to enter your Athlete for an upcoming Championship?

You need to submit your nominated entries prior to the deadline and later submit your definite entries?

Please note that entries for Championships are different to standard international Events.

Step 1: You need to login to the FEI Entry System (<https://entry.fei.org>) with your FEI ID number and password.

Step 2: Search for the Event in which you wish to make an entry. You can search by Venue Name or by using the filters available.

- **Nominated Entries:** this is the date by which you must submit your nominated list. This is the long list of Athletes and Horses that might participate in this Event.
- **Definite Entries:** this is the date by which you must submit your definite entries. This is the final selection of Athletes and Horses that will participate in this Event.

Please note: you can only submit each list once - this is different to normal entries where you can carry on submitting combinations after the deadline.

Step 4: On the left hand side of your screen you search for the Athlete that you wish to enter in this Event. You can search by Name or FEI ID number. You then click **Add**.

Please note:

- We suggest that the validation of your Nominated List is done close to the deadline in case you need to add any further combinations - do not submit your Nominated List weeks before the deadline.
- Once a nominated list has been submitted and the nominated entries deadline has passed, no further Athletes or Horses can be added to your nominated entries (this is different for Jumping)
- Please make sure that you submit **all** your nominated combinations at the same time
- If you validate your Nominated List too early prior to the deadline and need to add further Athletes or Horses, please contact: entries@fei.org
- After the Nominated Entries deadline, **NO** changes can be made

Step 7: Once you have validated your Nominated List you must download the Certificate of Capability, sign it and send it to the FEI as marked on the document. To download the certificate, click on **Certificate of Capability** at the bottom of

You can use the button **Remove** if you added someone as definite and you should not have - this will put the combination back into nominated status.

When you have selected the relevant combinations, click on **Add Entries to Definite List**.

Please note:

- You can change the labels for your Team members at any time
- Only make definite the number of combinations you are allowed on your Definite List as per the Approved Schedule of the Event
- We suggest that you validate your definite entries list just before the deadline, please do not do it too early
- If you validate your Definite List too early, prior to the deadline and need to adjust your entries, please contact: entries@fei.org
