How to manage entries on borrowed horses

When you are login to <https://entry.fei.org> and you are on your show page, you can proceed as usual when accepting / rejecting entries.

The screenshot displays the FEI Entry System interface. At the top, there are event details for a POR event, including the event name, level, and dates. Below this, there are statistics for the event, such as the number of entries in principle, nominated entries, and definite entries. A 'Definite Period' is also indicated. On the right, there are statistics for countries, accepted athletes, and accepted horses.

The main section is titled 'Entry Lists' and includes tabs for 'Entries', 'Master List', 'Pending Substitutions', and 'Pending Additions (2)'. The 'Pending Additions (2)' tab is selected, showing a table of pending additions for athletes and horses. The table has columns for 'Athletes & Horses', 'NF', 'FEI ID', 'Entry Status', 'Nom. Def.', and 'Entry Actions'. Two athletes are listed: BABCOCK Chelsea (USA) and CREEL Caitlin (USA). Both have a status of 'Pending Add.' and their 'Accept' and 'Reject' buttons are highlighted with red boxes. Below the table, there is a note: 'This athlete will ride borrowed horses'.

At the bottom of the screenshot, there is a blue banner with the text: 'Have you noticed out of date information about a horse or an athlete? Click on the FEI ID to open the detail page and'.

As soon as the draws has finished, you have to add horses to each athlete.

Just select the athlete by clicking on the tick box, and search your horse on the left table, then click on **"add"**.
