Introduction to the FEI Online Schedule Platform

The FEI Online Schedule platform is used for all FEI Eventing Events since 1 June 2021 and for all FEI Jumping Events since 1 May 2023.

Please find below a basic video tutorial outlining the main concepts of the FEI Online Schedule and how to navigate on the platform (<https://schedules.fei.org>). This video shows the FEI Online Schedule platform for Eventing, however it is similar across all disciplines and this video will give you an idea of the various functionalities and workflows.
