## How to upload horse documents for FEI Passports on the FEI Database

You have issued a new FEI Passport; the relevant pages need to be uploaded to the FEI Database for the horse to compete in a FEI Event.

The pages necessary in regards to a FEI Passport are:

FEI Passport	PAGES TO UPLOAD			
	Name Page of FEI Passport (page 1)	Owner Page of FEI Passport (page 10)	Description + Diagram Page of FEI Passport (page 32-33)	Pedigree Page of FEI Passport (page 34-35)
New FEI Passport	✓	✓	✓	✓
Duplicate FEI Passport	✓	✓	✓	✓
Name Change	✓	-	-	-
Owner Change	-	✓	-	-
Modifications requiring a new sticker #1 e.g. microchip change	✓	-	-	-
Modifications requiring a new sticker #3 e.g. Horse colour change	-	-	✓	-

These can be uploaded as one scan, or separate individual scans.

You need to select from the drop down list which pages you will upload.

**FULL DOCUMENT:** this needs to be one file containing all pages mentioned in the table above. Further information can be found on ["Which pages of the horse' identification document need to be uploaded on the FEI Database?"](#)

**INDIVIDUAL PAGES:** if you decide to upload individual scans of the separate pages, the system will require all the necessary scans before the horse is available to be entered into an event.

Please refer to "[Which pages of the horse' identification document need to be uploaded on the FEI Database?](#)" for further information.

You may upload multiple pages for each section, for example when the diagram and description are on two separate pages/scans, as well as extra pages that are not necessarily compulsory.

Make sure that you choose the correct page from the drop down list before uploading your scan.

If you make an Owner Change, the relevant scan of the Owner Page needs to be uploaded on the FEI Database.

Please refer to "[How to add/change an Owner for a FEI registered horse](#)" for further information."

If you change the Name of the horse, the relevant scan of the Name Page needs to be uploaded on the FEI Database.

Please refer to "[How to change a Horse Name on the FEI Database.](#)"
