How to add Endurance Novice Qualifications

You are a National Federation and needs to add Endurance Novice Qualifications for your Athlete or Horse?

In accordance with the [FEI Endurance Rules](#), the novice qualification eligibility form needs to be filled in on the FEI online platform for both Athletes and Horses, prior to the relevant NF making the first entry for the Athlete/Horse.

To be able to add Endurance Novice Qualifications for an Athlete or a Horse, you will need to be logged into the FEI Database or FEI Entry System with your FEI ID number and password.

NF Members with **NF HORSE ADMIN** will be able to upload novice qualifying rides for Horses that they administer via the FEI Database.

NF Members with **NF PERSON ADMIN** will be able to upload novice qualifying rides for Athletes that they administer via the FEI Database.

NF Members with **NF ENDURANCE ENTRY ADMIN** will be able to add novice qualifying rides from the FEI Entry System Interface for their Athletes and Athletes they host, as well as all FEI Horses.

Entering Horse Novice Qualifying Rides via the FEI Database

Step 1: Go to <https://data.fei.org> and log in with your FEI ID number and password.

Step 2: Search for the Horse in question on the FEI Database and open the **Horse Detail** Page.

Step 3: Scroll down to the **Endurance Eligibility Requirements** section and click on **Add Novice Qualifications...**

General

Step 4: A specific window will open for you to complete this table in accordance with the requirements laid out in the FEI Endurance Rules.

Step 5: Once you have verified all the information is correct taking into account that the distances is in **km** and the Average speed is in **km/h**, click on **OK**.

Venue: This is the name of the Show where the Event took place.

Rank: This is the position that the Horse came in the Event in question.

Step 6: The window will disappear and the Novice Qualification will be confirmed.

General

If you enter incorrect information, the system will inform you that there is an error.

Once corrected, you will be able to submit the novice qualifying riders for this Horse. You also have the option to **Delete** the novice qualifications of the Horse if necessary.

Entering Athlete Novice Qualifying Rides via the FEI Database

Step 1: Go to <https://data.fei.org> and log in with your FEI ID number and password.

Step 2: Search for the Athlete in question on the FEI Database and open the **Athlete Detail** Page.

Step 3: Scroll down to the **Endurance Eligibility Requirements** section and click on **Add Novice Qualifications...**

General

Step 4: A specific window will open for you to complete this table in accordance with the requirements laid out in the FEI Endurance Rules.

Step 5: Once you have verified all the information is correct taking into account that the distances is in **km** and the Average speed is in **km/h**, click on **OK**.

Venue: This is the name of the Show where the Event took place.

Rank: This is the position that the Horse came in the Event in question.

Step 6: The window will disappear and the Novice Qualification will be confirmed.

General

If you enter incorrect information, the system will inform you that there is an error.

Once corrected, you will be able to submit the novice qualifying riders for this Horse. You also have the option to **Delete** the novice qualifications of the Horse if necessary.
