How to change the language setting on the FEI HorseApp?

You would like to change the language setting on your FEI HorseApp?

Step 1: Log in to the FEI HorseApp with your FEI ID number and password.

[Click here](#) to see how to log in to the FEI HorseApp.

Step 2: Once you are logged in to the FEI HorseApp, you will land on your Dashboard.

Click on the **burger menu** in the top left corner of your screen.

All Users

Step 3: Click on **Settings** and then on the **language**.

🐴 LATTE

FEI HorseApp 2.25.0

Step 4: A pop-up window will open with the languages available for the FEI HorseApp. Click on the **language** listed (English, Français, Spanish, Portuguese, Russian or Device language) to change the language setting on your FEI HorseApp.

If you choose **Device language** the language of the FEI HorseApp will be the same as the one of your device.

All Users

Click on **Cancel** if you do not want to change the language setting on your FEI HorseApp.

Step 5: You can also change the language setting before logging in to the FEI HorseApp. Click on the **language**.

All Users

Step 6: The same pop-up window as on step 4 will open to select the **language** you would like to use on the FEI HorseApp.
