How to make an athlete / horse registration at the FEI

To participate at international Events, all Athletes and Horses must be registered with the FEI.

This is an annual registration and this must be renewed each year.

As Athlete, you don't have the possibility to make the registration by yourself in the database.

Please note that the FEI is not able to make registrations in the database.

Only your National Federation can make registrations for you and your horse(s).

You will find the list of National Federations in the FEI Database.
