

Registration and Horse Documents

How to provide the FEI with scans of my horse's document using the FEI HorseApp

Your National Federation has created a FEI profile for your Horse and you need to upload Horse's document to the FEI Database?

Step 1: To upload photos of Horse documents to the FEI Database with your smartphone or tablet, you need to download the FEI HorseApp, available on both iOS and Android Devices.

[Click here for all information related to the FEI HorseApp including the links to download the App.](#)

Step 2: You must log in with your FEI ID number and password.

Click [here](#) to see how to log in to the FEI HorseApp.

Step 3: Once logged in, you will be able to take photos of horse documents and upload them to the FEI Database even if you are not in the office.

Click [here](#) to see which pages of the horse's identification document need to be uploaded on the FEI Database.

Below is a video tutorial on how to use the FEI HorseApp.
