## How to use the FEI SportApp as official

You are FEI official and you want to see the entries for your assigned events?

### Downloading the FEI SportApp

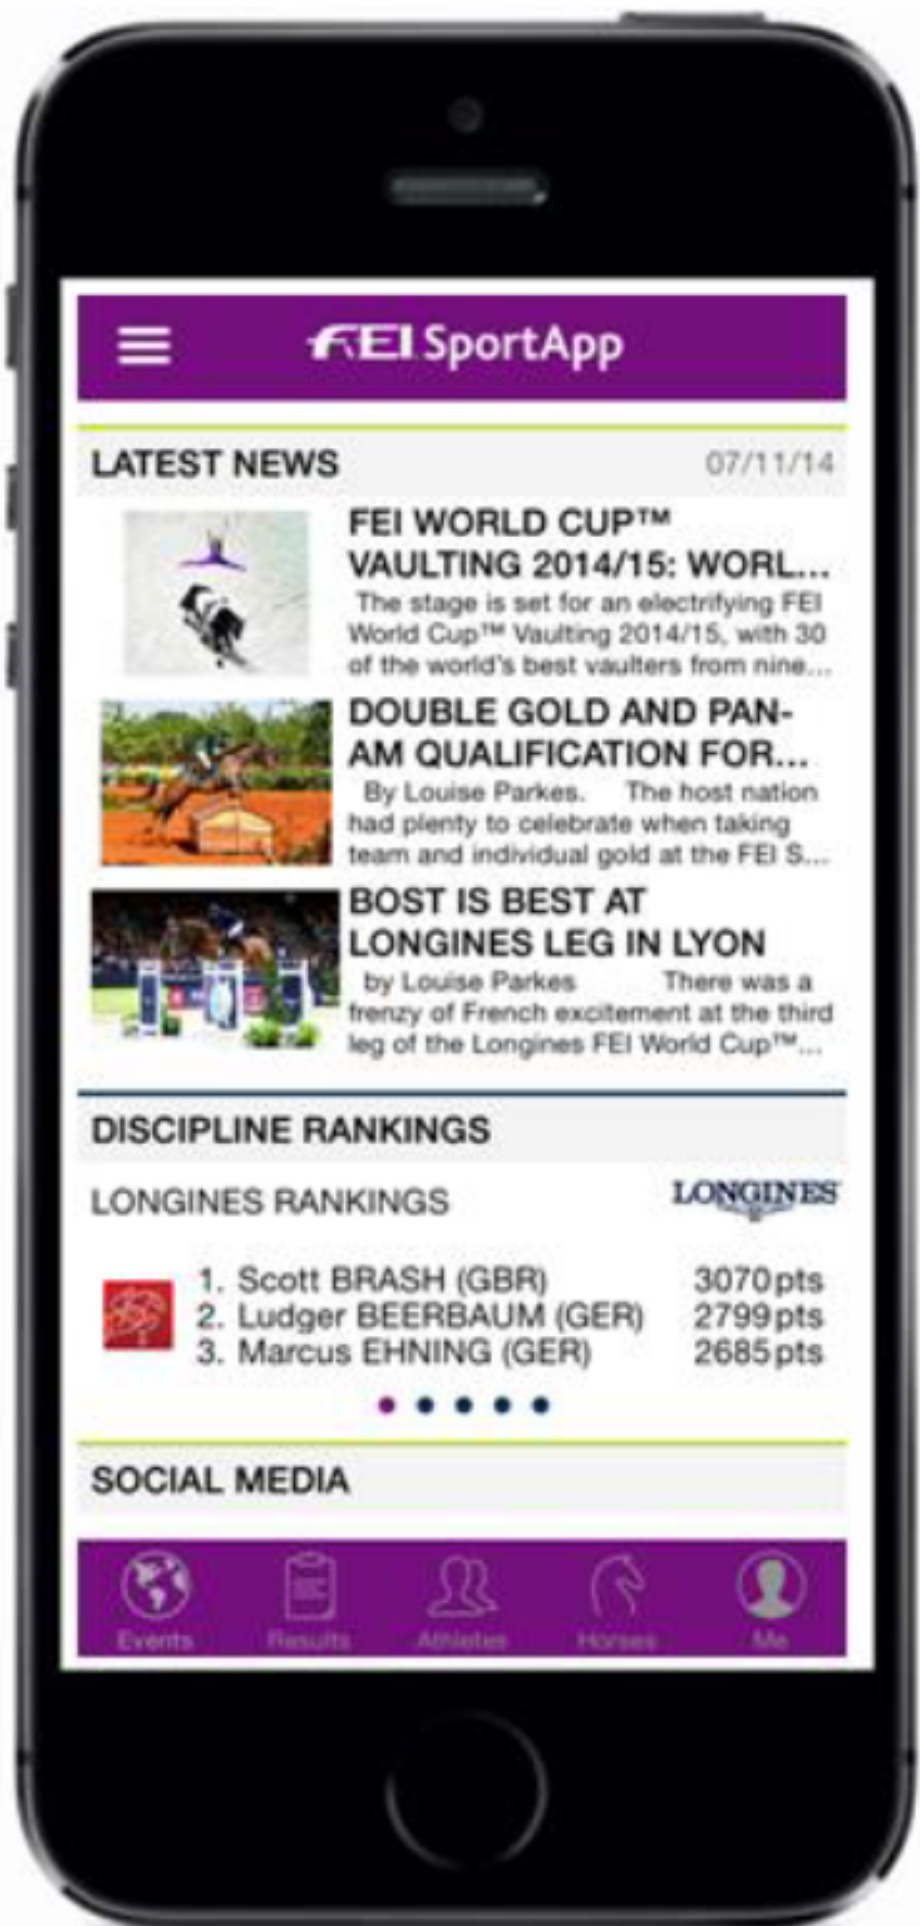

<https://itunes.apple.com/us/app/fei-sportapp/id860484928>

<https://play.google.com/store/apps/details?id=org.fei.sportapp>

Once downloaded you will be able to open the app and you will arrive on the home page.

# Officials

# Officials

At the bottom of the screen you can see 5 logos, each logo takes you to a separate section.

Please note: For Android phones the logos are at the top of the screen.

**Events:** FEI Calendar, including event schedules and competition details

**Results:** Validated results for all FEI Disciplines

**Athletes:** Possibility to search athletes and view their profiles

**Horses:** Possibility to search horses and view their profiles

**Me:** A personal section requiring log in details for Athletes and Officials

## Logging in

By clicking on the **Me** logo

you will arrive on the log in page.

Registered athletes have access to exclusive functionalities. If you do not yet have an active FEI account, activate yours now.

[Create my FEI account](#)

Here you will need to log in with your FEI ID number and password.

Most of you will have already activated your accounts and set up passwords to view your Official Assignments or when working with the FEI Entry System.

If you do not have an active account you can select **Create my FEI account** and

# Officials

follow the indicated steps. If your entered details match those in our FEI Database, you will receive an automatic email with your log in details. Otherwise the FEI will contact you to help you create your account.

You can also access your personal account by selecting the menu button.

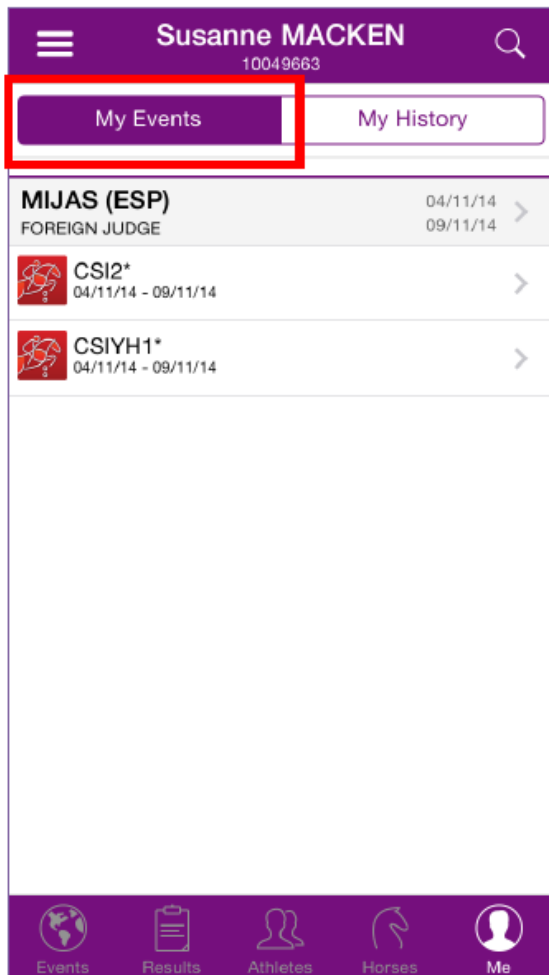

Here you will also find the **Help** and the possibility to filter the app by discipline; so that the Calendar and Results view is discipline specific.

## Using the FEI SportApp

When logged in you will arrive on your **My Events** page where you see the upcoming events you have been assigned to, the function you will have at this event as well as the dates.

By selecting **My History** you have a list of all your previous Official Assignments dating back to 2011, what function you had as well as the venue and dates of the event.

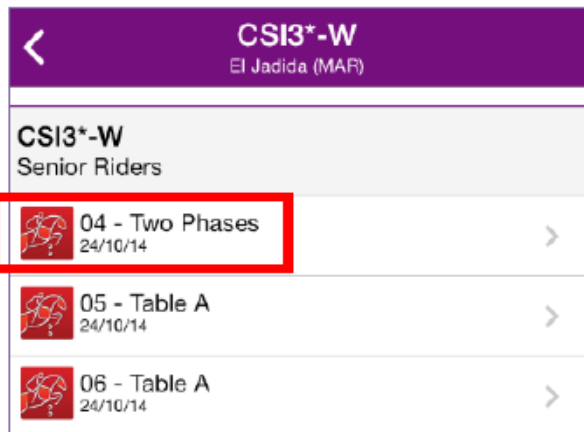

# Officials

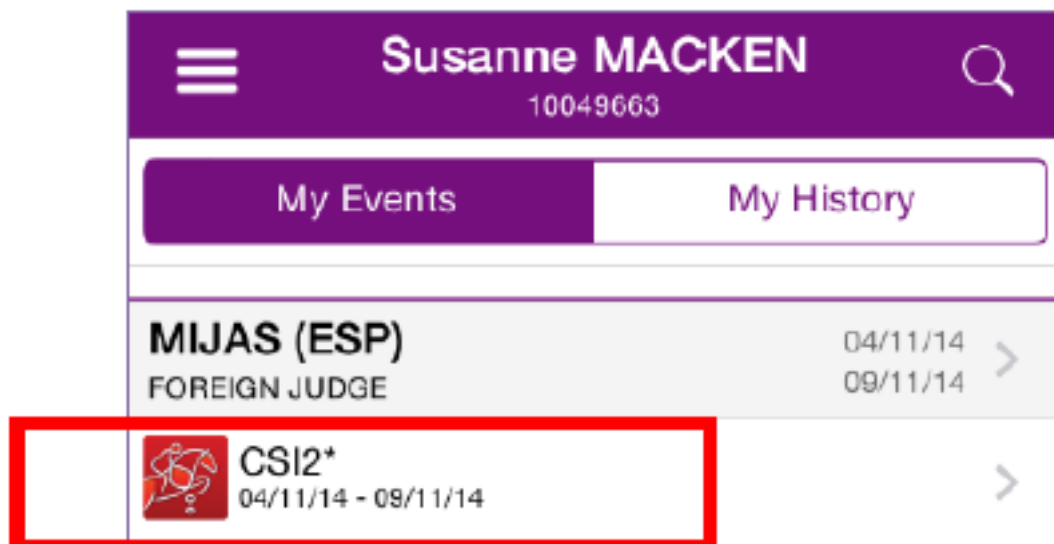

By selecting a past event it will open the list of competitions.

By selecting the competition you will be given the option to open the past entries or the validated results.

# Officials

By selecting your upcoming event in **My Events** the list of entries will open.

You can filter the view you have of your entries to include all show entries or entries by event.

You can use the green tick to select all events or click on the specific events you would like to view.
