

FEI Entry System for Jumping

How to navigate on the new version of the FEI Entry System

You are the Organising Committee of a FEI Jumping event?

You need to accept the entries and manage your event?

You need to download useful lists of information?

All entries for FEI Jumping events in weeks 49-51 will be using the new version of the FEI Entry System.

You can access the FEI Entry System at <https://entry.fei.org> and search for your event, or directly on <https://invitation.fei.org>

Please view this video which will give you an overview of this new platform:
