FEI Entry System for Jumping

How to download various lists from the new version of the FEI Entry System

You need to download a list of your entries? You need the list in various formats?

The FEI Entry System offers all the data related to your event in various lists and formats.
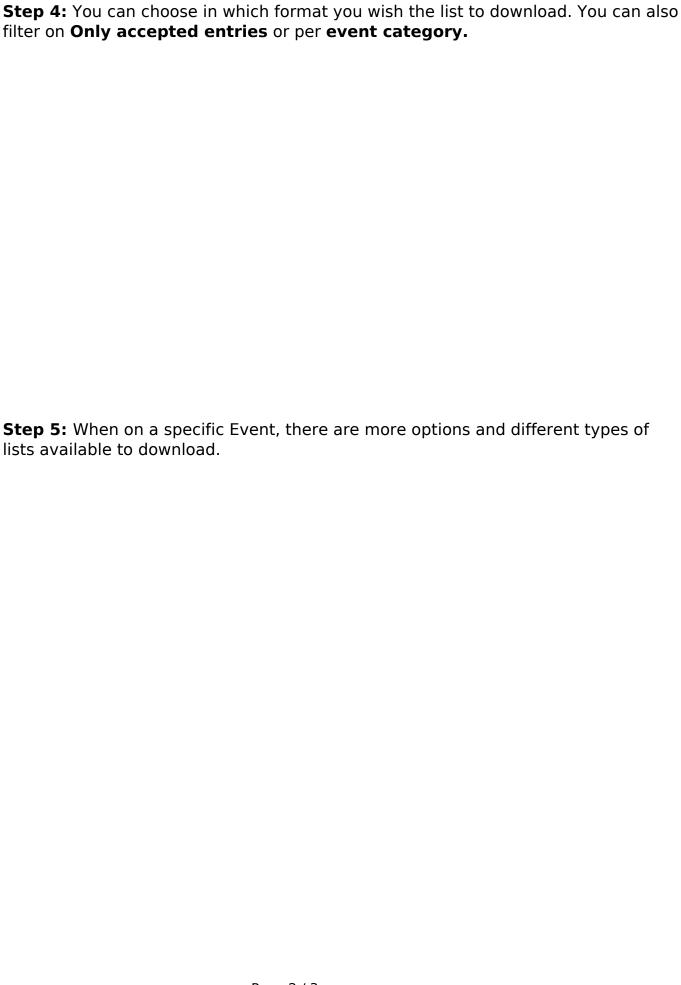

Step 1: Connect to the FEI Entry System (https://entry.fei.org) with your FEI credentials and navigate to your Show entry page.

Step 2: When on your Show page, you have the possibility to download different lists of all your entries.

Click on the **Download** button to display the options.

Step 3: Choose which type of list you wish to download, the main list of entries is called **Entry list.**
