How to accept/reject entries, additions and substitutions in the FEI Entry System

Please go to <https://entry.fei.org>

Login at the top right of the page

when you are on your event, you will have a view on all entries.

In the tab "entries" you have all entries which have been made by the NFs.

You can make 2 actions:

Accept

If you accept, be aware that you won't be able to reject the Entry later. That means that the athlete/horse are accepted to compete at your event.

You can accept the entire entry by clicking in the athlete name, or, if he has more than one horse entered, accepted 2/3 horses. etc...
