How to navigate on the FEI Online Schedule Platform

You are the National Federation of an FEI Event? You have been notified that a schedule for one of your FEI Events has been submitted to you by your Organising Committee?

Step 1: Connect to the FEI Online Schedule Platform (<https://schedules.fei.org>) with your FEI credentials.

Step 2: You will land on your Dashboard and see the schedules for the Events in your Country.

Click on **Details** to open the schedule that has been submitted to you.

Status: This shows who the schedule is currently with and who can edit the schedule; OC, NF or FEI.

The version is at **0.1** as it has been submitted to you by the Organising Committee for the first time, the version numbers will change as the schedule goes back and forwards between you and the OC. Once the schedule is published for the first time it will become 'version 1'.

Step 3: You will land on the first section **Access rights**, you can now start checking the schedule and navigate on the menu on the left hand side by selecting the different categories.

Please click on Add User in order to provide your IT Providers access to the FEI Entry System.

The sections in **green** are completed and the sections in **red** still need to be completed by the OC or require your attention.

The **Access rights** section is always in **orange**, as it can be edited at any time and is not related to the submission or validation of a schedule.

To learn more about the “Access rights” section, [click here](#).

Step 4: You can always see in which section you are with the little arrow on the left hand side on the menu and the title at the top of the page. Modifications made on some sections will need to be validated by the FEI.
