How to add a Horse on the FEI Database

If you need to register or enter a Horse to compete in a FEI event, the Horse must first have a FEI ID number on the FEI Database.

Step 1: You must go to <https://data.fei.org> and log in with your FEI ID number and password

Step 2: You must then go to the **HORSES** tab and click on **ADD HORSE**

Step 3: Here you must enter all the necessary information about the Horse you are wishing to enter on the FEI Database

The screenshot shows the 'Horse Info' form in the FEI database. The form is divided into several sections: 'Horse Info', 'ID and Passport', and 'Ownerships'. The 'Horse Info' section contains fields for Status, Date of Birth, Date of Retirement, Date of Death, Country of Birth, Color Code, Color Complement, Gender, Castrated/Sterilized, Pony, and Height. The 'ID and Passport' section contains fields for FEI ID, National ID, Issuing NF, FEI Recognized Document ID, Issuing Body, UELN, and Chip ID. The 'Ownerships' section contains a 'New Ownership' button. Annotations include a red box around the 'FEI ID' and 'National ID' fields, a yellow circle around the 'Upgrade to Passport' and 'Upgrade to Recognition Card (RC)' buttons, and a red arrow pointing to the 'New Ownership' button.
