

# Jumping Invitations

## How to filter and view different wish lists on the FEI Online Invitation System

You would like to view only the confirmed wish lists of your Athletes ?

You need to create a wish list for an Athlete that has not yet added a choice to their wish list?

You would like to only view all your Athletes ?

**Step 1:** Go to <https://invitation.fei.org> and login with your FEI ID and password.

**Step 2:** In the top menu bar, click on **Invitation System**.

**Step 3:** Select the week in which you would like to view the different wish lists.

The list that appears by default is the **Wish lists with choices**. This is all of your Athletes who have already chosen an Event for the selected week and made a wish list.

**Step 4:** To use a different view, click on the **Wish lists with choices** button on the right hand side and select the view you would like to use:

- **Ignored wish lists:** Athlete wish lists that you as National Federation have already ignored. The Event choices that these Athletes have made will not be taken into consideration when the invitations are allocated
- **Confirmed wish lists:** Athlete wish lists that you as National Federation have already confirmed. These choices will be considered when the invitations are allocated
- **Wish lists with choices:** This displays all Athletes that have chosen an Event and made a wish list
- **All Athletes:** This displays all your Athletes in descending order, regardless if they have created a wish list or not

On the **All Athletes** list you will see all your Athletes in descending order of the applicable Longines Rankings.

You can search for the Athlete by name or FEI ID.
